COLUMBIA COUNTY COW MAKES FAT RECORD

Jake Dowling's Grade Jersey Yields 84 Pounds for Shortest Month of Year—1592 Cows Tested.

Oregon Agricultural College, Corvallis, April—The honor cow of the 1592 tested in association work February was Jake Dowling's grade Jersey "Tootsie," of the Columbia county association, with a record of 83.94 pounds butter fat. She is a "repeat-er," having won the January honors. She also belongs in the highest producing association herd in Oregon for the shortest month contest, the Jake Dowling herd that averaged 58.94 pounds of fat.

The association honors for the month went to the Rogue River association for the fourth consecutive time says E. H. Pitts, U. S. and O. A. C. extension dairy man. The average fat production of all cows was 24.34 pounds. This association also had the largest number of honor cows—yielding above 40 pounds fat—a total of 25.

The Tillamook association won the greatest milk production honors with an average of 599 pounds.

The highest fat production by a registered purebred was won for the fourth consecutive time by "Dolly Dimple of Rocky Run," P. A. Lux registered Jersey in the Bandon association. Her yield was 70.3 pounds.

The highest milk record was made by Peter Johnson's grade Holstein, "Dolbe," with 1700 pounds.

The best milk production record of any herd was made by R. H. Salina's grade Holsteins of the Nestucca association.

OREGON GETS SAME AIR FOREST PATROL

WASHINGTON, March 29.—Senator McNary today advised State Forester Elliot that Oregon would have the same air patrol service and protection from the federal government that it had last year, but that the personnel and appropriations would not permit any extension of the service.

This information was in response to a letter from the state forester, wherein he said he feared there would be no air protection. The war department informed Senator McNary of the above facts and said that the details were in the hands of the general commanding the 9th army area at San Francisco.

Senator McNary telegraphed him asking that the full amount of protection enjoyed by the Oregon forest last year be extended this year.

PRESIDENT HARDING TO NAME MEMBERS

Washington—President Harding is expected to name the shipping board members within the next two or three days. Senator McNary, who saw the president Saturday, gained that impression and seems certain that former Senator Chamberlain will be one of the first named. President Harding said he had two men in mind either of which would be acceptable as chairman. Admiral Harris, one of the most aggressive men in the navy and a candidate for a place on the board, conferred with the president.

Senator McNary has wired all those interested that there will be no embargo on agricultural products for President Harding is adverse to using his war powers for this purpose. An emergency tariff is certain but it will include some thirty odd items at least and perhaps more. Hops which were not covered in the former emergency tariff, will be included in the new one Senator McNary has notified Governor Olcott and others interested in hop growing in Oregon.

General Wood and Cameron Forbes, who are going to the Philippines to report to President Harding, conferred with Secretary Weeks.

D. J. Rankin, local chairman of the Family League at Columbus, has achieved considerable newspaper fame on account of his appointment as city dance supervisor. He is seeking advice as to where the natural gyrations of the body leave off and shimmying begins; also as to where to draw the line on the exposed chest.

"How did you get that black eye?" "I called a man a brick, but I didn't know he was vitrified."

Studebaker LIGHT-SIX

See this NEW LIGHT-SIX—we are now ready to demonstrate and make deliveries

At all driving speeds, the NEW LIGHT-SIX is freer from vibration than any car of its approximate size or weight yet produced in America or Europe. Its powerful motor is an exclusive Studebaker design—conceived by Studebaker engineers—and built complete in Studebaker factories. It is most efficient in utilizing the low grades of fuel now on the market—no other light six-cylinder motor yet produced is as free from vibration or as flexible, economical and powerful.

Power with smoothness of operation has been the dominant idea in the construction of the NEW

LIGHT-SIX motor. Its completely machined crankshaft and connecting rods will not be found in any other lightweight car yet produced in this country. This construction reduces wear and strain on the bearings and the moving parts, and means longer life and smoother riding qualities.

You can have the advantage of this motor's wonderful gasoline economy and the satisfaction of its smoothness of operation only by owning a Studebaker LIGHT-SIX.

Let us give you a demonstration of this NEW LIGHT-SIX anywhere and under any conditions you choose.

YOU certainly want to save money, and you would like to have better bakings. Then use Calumet. It's the biggest thing you can do to improve the quality of your bakings—and lower baking costs.

Calumet is made in the largest, most sanitary Baking Powder Factories in the World. No Baking Powder is made under better conditions—none can be better in quality.

It contains only such ingredients as have been officially endorsed by the U. S. Pure Food Authorities. An absolute guarantee that it is pure.

RAISES THE QUALITY—LOWERS THE COST OF ALL BAKINGS

It received highest Awards, World's Pure Food Exposition, Chicago—Paris Exposition, Paris, France—positive proof of its superior merit.

It is used by more housewives, domestic scientists and chefs than any other brand. That would not be the case, if it were possible to secure a higher quality leavener. It is sold at a moderate price. All you have to do is to compare costs to determine how much you can save by buying Calumet. Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Cream Cake Recipe—3 cups pastry flour, 3 level teaspoons Calumet Baking Powder, 1/2 cup butter, 1/2 cup granulated sugar, Yolks of 3 eggs, 1/2 cup cold water, Whites of 3 eggs, 1 teaspoon orange extract. Then mix in the regular way.
